Inviting curb appeal sets the tone with attractive desert landscaping, vibrant cacti, accent boulders, a covered entry, and 8-foot double front doors. This popular Pardee single-story floor plan feels open and bright thanks to 10-foot ceilings and well-placed windows that bring in plenty of natural light. New carpet and neutral two-tone paint give the interior a fresh, contemporary feel. The kitchen offers an island, corian counters, a Kohler sink, reverse osmosis, a pantry cabinet, and updated stainless steel Frigidaire appliances including a built-in convection oven and 5-burner cooktop. It opens to the family room, complete with a media niche, ceiling fan, and cozy tile-trimmed fireplace. The primary suite is a restful retreat with a walk-in closet, step-in shower, jetted tub, and views of the yard. The oversized second bedroom offers the flexibility of a guest suite or additional primary. Extensive cabinets in the 3-car garage make storage simple. Additional upgrades include ceiling fans, a water softener, window coverings, a laundry sink, a 2021 water heater, and a 2017 AC unit. Out back, the large yard features a covered patio, curbing, pathways, and no rear neighbor for added privacy. Located in the desirable Westwood Village neighborhood of Green Valley, this property is close to The District, the Henderson Multigenerational Center, the Silver Knights arena, and the Pittman Wash Trail.
